ABOUT AMS

AMS Consulting and Design, Inc. is an SBA 8(a). HUBZone, WOSB, and EDWOSB certified, family-owned small business, founded in 2004 and incorporated in 2019.

AMS evolved from a hands-on renovation subcontractor into a full-service General Contractor and trusted federal partner.

We specialize in site improvements, including grading, site concrete, asphalt paving, fencing and gate installation, landscaping, and roofing—as well as HVAC, electrical, and plumbing systems. In-house capabilities include archaeology, GIS, interior design, and secure system integration.

With the ability to manage multiple projects simultaneously across diverse locations, AMS delivers precision construction services grounded in accountability, performance, and measurable impact.

FAMILY-OWNED. CLIENT FOCUSED. COMMUNITY DRIVEN.
Building lasting relationships through integrity, quality, and service.
